

John NATER, MP

Perth—Wellington

Here to Serve

Summer 2018

The Spring session of Parliament is winding down and will recess at the end of June. Legislation concerning the legalization of marijuana, NAFTA negotiations, and the Budget Implementation Act dominated this session.

I was very pleased with the feedback I received from my previous newsletter, and I thank everyone who took the time to respond. The responses I received continue to demonstrate that the economy and concerns regarding labour shortages, transportation, and housing are issues at the forefront of the minds of the residents in this riding.

I submitted pre-budget reports to the Minister of Finance outlining these concerns and, as always, I will continue to advocate for the needs and interests of the people and communities in Perth—Wellington.

It is expected that Centre Block on Parliament Hill will close for renovations at the end of this summer, perhaps for as long as ten years. If you plan to be in Ottawa this summer I would encourage you to take the time to go on a tour. If you are not able get to Ottawa, please check out my Facebook page where I have posted videos with a behind the scenes look at Centre Block, as well as some of the interesting areas and history on Parliament Hill.

Once again this summer I am looking forward to speaking with many constituents and stakeholders during community events, agriculture fairs, and meetings which will take place across the riding.

On the back of this newsletter I have included a Canadian flag which I hope you will display proudly in your windows for Canada Day this year.

I always welcome your thoughts on Bills and other issues before Parliament. Please do not hesitate to contact one of my offices with your comments, or if you require assistance with any federal issue.

I wish everyone a safe and fun-filled summer.
